

PURE ZONE

Case studies

www.hexis-graphics.com

Update: Nov. 2018

HEXIS **PURE ZONE** PROTECTIVE LAMINATE IS A **VERY INNOVATIVE ANTIMICROBIAL PROTECTION**

It is a transparent self-adhesive film with antimicrobial properties.

Very thin and soft, it can be applied onto any surface:

- Flat surfaces : walls, counters, tables, doors
- Curved surfaces: toilets, door handles
- Touch screens

Suitable in all kind of environments:

- Hospitals, clinics, medical practices, tattoo shops, dentists
- Nurseries, kindergartens, schools, universities
- Malls, laundries
- Food industry
- Public transportation: vehicles, airports, train stations

The next application could be yours...
